TABLE B-1. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS				
STATE	CAMP	INSTALLATION	DATES	PROJECTS
				Officers Quarters on Gorgas Circle and 23 rd Infantry parade ground, sodding and tree planting, nursery, mosquito control, clearing for flood prevention, clearing of fire trails, construction of underground pipelines and drainage, chain link fence on boundary, construction of three earthen dams.
TX	Army-2	Camp Stanley Mil. Res.	6-16-35	Road construction, clearing of underbrush, building fire lanes, clearing and construction of new firing ranges, clean camp area and prepare grounds for buildings, construction of bridges and culverts, maintenance of fence, building of landing field.
TX	Army-3, -4	Fort Bliss, Dona Ana Range, Casner Range	6-15-35	Work on three military reservations: Fort Bliss, Casner Range, and Dona Ana Range. Landscaping, beautification, trail construction, fencing, and general construction projects on Fort Bliss, direct and riprap of levees for flood control, road construction to and between Fort Bliss and ranges, construction of gun pits, dugouts, and emplacements on artillery ranges.
TX	Army-5	Fort Clark	8-10-35	Cleaning out spring and banks of creek for mosquito eradication, fencing of reservation boundary, building truck trails, clearing and general improvements to reservation. Portable CCC buildings surrounded by caliche walks and trees.
TX	ASCS-1	Camp Hood	2-23-42 to 7-21-42	Building and maintenance of roads, construction of temporary buildings, cleaning and preparation of bivouac areas for troops, razing of buildings and construction and removal of fences, sodding for erosion control, and miscellaneous other jobs. Camp not located on reservation.
TX	ASCS-2	Gatesville	3-12-42 to 7-21-42	Unknown; no Camp Inspection Report
TX	ASCS-3	Brownwood	5-14-42 to 7-21-42	Unknown; no Camp Inspection Report
TX	ASCS-4	Waco Army Flying School	4-10-42 to 7-24-42	Sodding of school camp area, including ditch banks, rip rap, brush clearing, trails. General conservation work.
TX	ASCS-5	Mineral Wells (near Camp Wolters)	4-24-42 to 7-24-42	Work at Camp Wolters including mulch and spring sodding of drainage ditches, spring and mulch sodding of area around buildings, and erosion work on other areas of reservation. CCC camp housed in former TXARNG buildings (stone and concrete).
TX	ASCS-6, -7	Abilene	6-12-42 to 7-17-42	Unknown; no Camp Inspection Report
TX	NP-D-3	Duncan Field	4-6-42	Cribbing, fences, open ditches, roads, channel protection, stream bank

Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration and Civilian Conservation Corps Resources on Department of Defense Installations

TABLE B-1. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS				
STATE	CAMP	INSTALLATION	DATES	PROJECTS
				protection, pipelines, conduits, rip-rap, walks, miscellaneous structures, obliteration of borrow pits, mosquito control, preparation and transportation of material, seeding and sodding on both existing Duncan Field and new addition.
UT	AF-1	Fort Douglas/Ogden General Depot	6-24-35 to 11-10-35; 2-7-42 to 7-31-42	Camp reconstruction and spring repairs, general improvements to military reservation. CCC camp buildings include both portable and permanent.
VT	AF-1	Underhill Center	4-23-41 to 7-28-42	Work at U.S. Artillery Range, including construction of ski jumps, truck trails, anti-tank railroads (Mayers Dome), dugouts, concrete shelters, moving targets, roads, gun positions, observation posts, and firebreaks. CCC camp housed in existing Army structures.
VT	Army-2	Forth Ethan Allen and Artillery Range		Digging of gun positions, road/trail construction and clearing, razing of buildings and salvage of construction materials, landscaping, forest stand improvement, vista cutting, cleanup of dumps, removal of diseased oak trees, flood control near Lilypad Pond, fire lanes, draining swamps, erosion control, fencing and boundary markers, construction of artificial lake. Camps located on post (1) and on range (1). Housed in existing buildings.
VA	Army-1	Fort Monroe	7-35	Dredging, landscaping, reservoir construction for Big Bethel water supply, tree planting, soil erosion control, top-soiling, grading
VA	Army-2	Langley Field	7-7-35	Enlarge and develop flying field, including drainage improvements, general landscaping and development
VA	Army-3	Fort Belvoir	10-35	Forest stand improvement, fire hazard reduction, drainage improvements, fire trails, reforestation, general landscaping, erosion control
VA	ASCS-1, -2	Blackstone	3-14-42 to 7-31-42	Only work mentioned is construction of CCC camps, which was lagging and problematic at the time of the inspection; work on nearby military reservation.
VA	ASCS-3	Roxbury	6-17-42 to 8-12-42	Unknown; no Camp Inspection Report
VA	Navy-1, NP-D-10	Yorktown (U.S. Naval Mine Depot)	10-12-33 to 7-18-42	Fire hazard reduction, patrol road construction, fire breaks, timber stand improvement, landscaping, and mosquito control, selective cutting for defense housing, fine grading of magazine areas, truck trails, water and telephone lines,; small contingent assigned to restoration of Colonial National Historical Park.

and Civilian Conservation Corps Resources on Department of Defense Installations*

TABLE B-1. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS				
STATE	CAMP	INSTALLATION	DATES	PROJECTS
VA	NA-1	Fort Meyers	11-1-34 to 12-30-41	Unknown; no Camp Inspection Report
VA	NP-D-7	Fort Story and Camp Pendleton	8-40	Clearing, truck trails, construction of 2 waste disposal systems, water lines, powder magazines, razing of structures, mosquito control, underground cable, tree planting, soil preparation, general landscaping, sand fences; on Camp Pendleton, truck trails, ditches, moving of trees, mosquito control, drainage improvements, and vista cutting.
VA	NP-D-8, -9	Fort AP Hill	3-17-42	Most of the work being done by camp was construction of the new CCC camp (NP-D-9) from buildings and building materials salvaged from old CCC camp in Hanover, and fire fighting. Later work included fire hazard reduction, drainage improvements, razing of structures, mosquito control, road and trail construction, fire breaks, and tree removal.
WA	AF-1, -2; Army-1, -3	Fort Lewis	8-21-41 to 7-23-42	Truck trails, telephone lines, fire fighting, fire hazard reduction near incinerators and ranges, construction of artillery range and powder magazines, logging for sawmill, enlargement of bayonet range, roadside clearing and maintenance, repair of look-out towers, road, fence, bridge, and trail construction. Side camp involved in construction of Army Recreational Park at Jefferson Park in Seattle. Construction of portable CCC camp (AF-1) in Spanaway; not all camps located on military reservation.
WA	AF-3	Ranier	4-10-42 to 7-16-42	Unknown; no Camp Inspection Report
WA	Army-5	Fort Canby	6-25-35 to 7-31-35	Road and trail construction, reduction of fire hazards, fencing; construction of a dam at side camp at Fort Stevens.
WA	Army-6	Vancouver Barracks	8-22-35	Clearing for ranges, road construction, snag falling, installation of telephone lines and fencing, construction of swimming pool; other company members working on construction of CCC camp.
WA	Army-7	Fort Townsend	7-1-35	All work done at Fort Worden; CCC camp is on Fort Townsend. Power lines, preparing land for landing field, reduction of fire hazards, road and railroad construction, construction of mortars for Coast Artillery.
WA	ASCS-1	Montesano	5-6-42 to 7-13-42	Unknown; no Camp Inspection Report
WA	Navy-1	U.S. Navy Air Base (Ostrich Bay, Bremerton)	11-2-35	Landscaping and general cleanup, moving buildings, grading, 2000-ft sea wall

TABLE B-1. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS				
STATE	CAMP	INSTALLATION	DATES	PROJECTS
WA	Navy-2	Sand Point	6-13-35	Road construction, 600-foot timber bridge, landscaping, cleanup of snags, beach improvement for recreation. CCC camp is new portable winter type; not clear whether it is on Naval Base
WI	ASCS-1	Camp McCoy	7-2-42 to 8-10-42	Unknown; no Camp Inspection Report
WY	NA-2	Fort F.E. Warren	7-31-35 to 6-29-42	Unknown; no Camp Inspection Report

*Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration
and Civilian Conservation Corps Resources on Department of Defense Installations*

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL						
STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
AL	AF-1	Huntsville (could be Redstone Army Airfield)	Army	Yes	1-28-42 to 7-18-42	Unknown; no Camp Inspection Report
AZ	Army -1	Fort Huachuaca	Army	Yes	8/24/1935	Erosion control, construction of check dams, stream confinement, cleaning and straightening channel; road construction and maintenance; water development-spring improvement; construction of fire control trails.
AR	Army-1	Camp Pike (now Fort Robinson)	ARNG	Yes	Sep-33	Initially work focused on clerk and QM functions; after June 1935, started work reclaiming reservation: land clearing, tree pruning, rock retaining walls, bridge work, waterways, sodding, road construction, and check dam building. Constructed a stone recreation hall for CCC camp, but most camp buildings were existing National Guard buildings (gym, dispensary, bath house, latrine).
AR	ASCS-2, -3	Camp Chaffee	ARNG	Yes	3-16-42 to 7-30-42	CCC camp construction initially; followed by gully control work, bank sloping, mulching, seeding and sodding drainage-ways, culvert inlets and outlets, roadside improvement, terrace construction, terrace outlet seeding and sodding, diversion channel construction, and all other work necessary to control erosion.
AR	ASCS-1	SW Proving Ground (Navajo Ordnance Depot)	ARNG	Yes	4/1/1942	Sodding roadside ditches, building fences and bridges, graveling roads, clearing, wrecking buildings, and general cleanup.
CA	AF-1	Hunter-Liggett	Army Reserves	Yes	5-24-41 to 8-2-42	Initially a tent camp with some remnant ranch buildings; company built portable buildings to fill in. Projects included rodent control, bridge construction, fire-break construction, and fire fighting.
CA	AF-2	Camp San Luis Obispo	ARNG	Yes	11-1-41 to 7-20-42	Road construction and betterment, drainage, landscaping, channel clearing, fire breaks, civil surveys. Company living in tents and existing buildings that they rehabilitated.
CA	Army-1	Fort Baker	Army	No	10/17/1935	Camp consisted of newly constructed frame buildings. No details on work provided in Camp Inspection Report; presumably, typical reservation maintenance tasks.
CA	Army-2	Camp Ord/ Presidio of Monterey	Army	Camp Ord is closed, but there is some housing and facilities remain to support military at other posts; Presidio of Monterey is an active Army post	1/14/1936	Work done from this camp was improvement of 17,600 acres of the Camp Ord Military Reservation and the improvement of the Presidio of Monterey. Projects included fence repairs, retaining walls, construction of truck trails and artillery trails; water development (wells, repairing water mains), soil erosion (ditches, culverts, curbs, gutters, earth dams, sidewalks), planting sod and trees, fire hazard reduction, cutting poles for corral fences, civil survey, hauling gravel, tear down and replacement of target butts, cleanup of camp areas, building medical sanitary area for maneuver camp, rebuilding the old Spanish fort, paving the road in front of post HQ, and grading of parade grounds and riding pens.
DE	Army-1	Fort DuPont	ARNG	Yes	1/22/1936	Soil conservation, landscaping, road construction, mosquito control, construction sewers, developing and constructing athletic field, and general forestry.

Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration and Civilian Conservation Corps Resources on Department of Defense Installations

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL

STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
FL	AF-1	Eglin Field	Air Force	Yes	10-1-40 to 7-18-42	Initially, company members on detached service with Cooks and Bakers school and Company Clerk school. Subsequent work at Eglin included clearing 3,800 acres of land for bombing site. Maintenance of approximately 900 miles of roads and trails for fire prevention and general administrative purposes; maintenance of telephone lines, logging for sawmill, fire fighting, construction or maintenance of 10 bridges, 2 dwellings, and 3 other buildings.
FL	AF-2, -3, -4, -5	Fort Blanding	Army/ARNG	Yes	3-2-41 to 7-18-42	CCC camp initially a mix of tents and existing army buildings; permanent camp later constructed (portable buildings). Projects included construction of truck trails, construction of fences and railroad for artillery range, fire fighting, fire break construction, general landscape cleanup on artillery range, grading and siding, manufacture of concrete slabs for walks and parking areas, waterway lining, seeding and sodding service clubs, cattle guard construction, channel excavation, construction of 13 miles of telephone lines, and mosquito control.
GA	AF-1, -2, -3, -4, -5	Fort Benning	Army	Yes	9-27-40 to 7-18-42	Clearing and grading for runway, firing range, parachute field, new buildings, road right-of-way, motor parks, fire breaks, drill fields, diversion ditches, parking lots; maintaining recreation parks, parking lots, and reservation roads. Sawing and planing lumber, snaking logs to mill, excavations for moving targets, channel excavation, burning logs and brush, building truck trails and culverts; install metal pipe; building and maintaining bridges; constructing dams. CCC camp included new fire engine house and new maintenance shop that may have been reused for a bakery.
GA	AF-6, -7, -8, -10, 11	Camp Stewart	Army	Yes	10-21-40 to 7-18-42	Mosquito control, road maintenance, road construction (Trinity Road, Range Roads, Taylors Creek-Glennville Road, Disposal Plant Road, Magazine Service Road), drainage ditches, landscape improvements, marking boundary, fire breaks, general cleanup of down timber, seeding and sodding parade grounds and road shoulders, seeding magazine embankment slopes, cleanup of camp graveyard, clearing and grubbing of antitank firing range and C Range, construct Sewage Disposal Plant, construction of replacement bridges, operation of sawmill, fencing the reservation; construct anti-tank railroad.
GA	AF-9	Army Depot (Conley) = could be Fort Gillem	Army/ARNG	Yes	4-16-42 to 7-18-42	Unknown; no Camp Inspection Report
GA	Army-1, -2, -4, -6	Fort Benning	Army	Yes	7/13/1935	Road and bridge construction, forest nursery, park clearance, soil conservation, landscaping, timber management, reforestation, earth dams, construct fire towers, ponds, gas distributing depot, telephone lines, range guard lines, operate sawmill.
IL	Army-1	Rock Island Arsenal	Army	Yes	8/13/1935	Tree surgery, landscaping, cleanup, road improvement, cleanup around banks of Mississippi River, decorating, soil erosion, some wildlife care
IL	ASCS-2	Fort Sheridan	Army	Yes	3-27-42 to 7-15-42	Moving and changing of headquarters, gully control, spring seeding and planting, installation of drain tile; rehabilitation of Army buildings for CCC camp use;

*Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration
and Civilian Conservation Corps Resources on Department of Defense Installations*

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL

STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
IN	NP-D-1	Camp Atterbury	ARNG	Yes	7-17-33 (5-1-42)	Construction of parking areas for campsites, road construction and maintenance, razing of buildings and fences, seeding and sodding of campsites, soil preparation of campsite, gravel walks, various landscaping. Company moved after work started to area on Camp Atterbury.
KS	Army-1, ASCS-1	Fort Leavenworth	Army	Yes	3-2-42 to 7-24-42	Mosquito control, draining swamps, clearing timber, reforestation (clearing, pruning, and planting), landscaping, construct concrete foot bridges, soil erosion control (check dams, concrete spillways). CCC housed in frame buildings formerly used as summer camp for Citizens Military Training Camp.
KS	Army-2	Fort Riley	Army	Yes	Oct-34	Cutting dead timber and planting trees
KY	Army-1, -2	Fort Knox	Army	Yes	11/30/1935	General development of Army post; construct vehicle bridge, riprap dams, construct roads and truck trails, quarry, crush, and haul limestone; forest stand improvement, nurseries, fire breaks, grading, landscaping, prevention of soil erosion and flood damage (fencing, bank protection) lake and pond development, mosquito control, tree surgery; construct vehicle building, warehouse, and 64 shelters
LA	Army-1, -2	Barksdale Field	Air Force	Yes	7/16/1935	General improvement of reservation – building and improvement of roads, bridges, and truck trails; clearing of landing fields, gravel, mosquito control, fire control, forestry work, landscaping. Constructed Flag Lake Dam. CCC camp built by civilian labor.
MD	Army-2, -3	Fort Meade	Army	Yes	10-15-34 to 5-11-42	Soil conservation, forest hazard removal, trail maintenance, construction of truck trails, roads, and bridges; selective cutting and trimming, planting trees, seeding and sodding, rough grading, general landscaping; civil surveys, mosquito control
MD	Army-4, -5	Fort Hoyle and Edgewood Arsenal	Army	Partially	5-27-36 to 7-21-42	Woods improvement , trail building, drainage, soil erosion control, fire hazard reduction on roadsides and woods; road building, river front improvement, planting
MD	Army-6	Aberdeen Proving Ground	Army	Yes	7/3/1935	Erosion control, soil fixation at Phillips Airfield (regarding, filling, use of sea wall, plantings) and control of erosion in areas adjoining quarters, drainage to eliminate standing water throughout the post; forest stand improvement, selective trimming and cutting, disease control; fire hazard reduction, fire fighting, fire breaks, landscape projects, eradication of poisonous weeds and plants; mosquito control. CCC camp using former hostess house as combined office, mess, and barracks.
MD	Navy-1	Indian Head	Navy	Yes	10/10/1933	Fire hazard reduction, timber stand improvement, recreation area development, reforestation and timber management, road construction
MA	AF-1	Camp Edwards	ARNG	Yes	4-30-41 to 7-16-42	Early work confined to cantonment buildings, parking areas at the various ranges, gun emplacement areas, soil erosion work on roads and at sewage disposal plant, fire hazard reduction work on roads and fire lines, and fire fighting, general landscaping, placement of underground cable lines. CCC camp in new buildings.
MA	Army-1, -2	Fort Devens	Army Reserves	Partially	7-24-34 to 6-24-38	Forest protection, transportation improvements, flood control, landscape reclamation

Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration and Civilian Conservation Corps Resources on Department of Defense Installations

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL

STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
MA	NP-D-1	Westfield, MA, and Bradley Field, CT	ARNG	Yes	2/16/1942	Handling junk, care of lawns, remodeling Guest Room at HQ of Westfield; at Bradley Field, construct airplane landing field, minor roads, and fire hazard reduction.
MI	ASCS-1	Fort Custer	ARNG	Yes	6-10-42 to 7-15-42	Unknown; no Camp Inspection Report
MS	ASCS-1, -2	Camp Shelby	ARNG	Yes	7-9-41 to 7-18-42	Establishing erosion control practices such as seeding, sodding, bank sloping, lining waterways, building dams, retaining walls, mosquito control, fire protection, and road construction. CCC camp consisted of portable buildings.
MS	ASCS-3, -4	Key Field	ANG	Yes	2-17-42 to 7-18-42	Soil erosion control and revegetative work, including bank sloping, excavating draining ditches, road ditches, site grading, fertilizing, seeding, and sodding, fencing and general cleanup. CCC camp started as tent camp, but May 1942 report notes permanent buildings.
MS	ASCS-5	Columbus Army Flying Field (= Columbus AFB)	Air Force	Yes	4-10-42 to 7-18-42	Sodding, sprigging, mosquito control, clearing, cleaning and pruning wooded areas, constructing sidewalks, grubbing drainage ditches. Portable CCC buildings.
MO	AF-1, -2	Fort Leonard Wood	Army	Yes	5-8-41 to 7-27-42	Construction of F.S. Additions, surveys of roads, bridges, and installation boundary; construction of three entrance boundary structures; repair of Marcotney Creek Bridge; construction of telephone lines; tree planting, construction of athletic fields, clearing of tactical areas, spraying of Pontoon Lake for mosquito control, towermen and fire training, fire fighting, equipment maintenance and repair, road construction, install coal boxes in all buildings, build exchange counter and display, put seats in Recreation Hall. Tent camp transitioned to portable buildings.
MO	AF-3	Camp Crowder	ARNG	yes	1-6-42 to 7-24-42	Rehabilitation of CCC camp buildings; fencing of reservation, lumber salvage, building salvage and razing, fire tower construction, construction of parking areas and roads, general cleanup around buildings, fence removal and salvage, seeding and sodding, roadside cleanup. Portable CCC camp.
NV	Navy-1, -2	Naval Ammunition Depot, Hawthorne	Army/BLM	Yes	9/1/1935	Erosion control efforts throughout watershed, including opening of access roads to watersheds, check weiring, reforestation and afforestation of the denuded upper watershed areas; construction of a reservoir in Rose Canyon; installations of a duplicate distributing pipeline, installation of a Squaw Creek supplementary line; addition to the reservation of Cottonwood and Cory Canyons and the heads of Lapon and Baldwin Canyons to insure elimination of further grazing depredations, development of springs in Upper Cottonwood and Upper Cory canyons; development of seepage springs along Walker Lake; conservation and development projects on lower Depot, including installation of new rifle range, and construction of an aircraft landing field. Portable CCC camp.
NJ	AF-1, -2, Army-1, 2	Fort Dix	Army/ARNG	Yes	5-28-41 to 7-27-42	Mosquito control, fire hazard reduction, truck trails, vehicle and foot bridges, parking areas, development of public picnic grounds, razing undesirable structures, civil surveys, fire fighting, transporting of materials, Permanent buildings in CCC camp; required extensive rehabilitation.

*Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration
and Civilian Conservation Corps Resources on Department of Defense Installations*

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL						
STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
NY	AF-1	Plattsburg (Fort Drum)	Army	Yes	1-6-35 to 7-22-42	Truck trails, fire breaks, forest stand improvement, clearing and grubbing, camp ground development. CCC camp not located on post.
NY	Army-1	Fort Hamilton	Army	Yes	7-31-35 to 1-15-36	Unknown, no Camp Inspection Report (camp evacuated)
NY	Army-6	Madison Barracks (Pine Plains Mil.Res.) = Fort Drum	Army	Yes	7-21-35 to 7-12-36	Building roads, reforestation, truck trails, erosion control, stream improvement, forest culture, and forest fire prevention. Recreation hall burned (one death). CCC camp not located at Madison Barracks, but may have been on Pine Plains Military Reservation.
NC	AF-1; Army-1, -3, -4, -5	Fort Bragg	Army	Yes	11-13-40 to 1-28-41	Post beautification, road and bridge construction, clearing of firing and observation areas, saw mill operation, installation of telephone lines, fire breaks, construction of ranger station, reservoir clearing. Not all camps located on military reservation.
OH	Army-1	Patterson Air Depot Reservation	Air Force	Yes	7/16/1935	Soil erosion control, general improvement of reservation, drain tiles, construction of water storage facilities, fire breaks, planting, fine grading, public picnic grounds, seeding and sodding, soil preparation, improving and landscaping Army flying field and area around newly constructed Officers quarters.
OK	Army-1	Fort Sill	Army/ARNG	Yes	7/5/1935	Construction of roads, truck trails, fire breaks, stock watering reservoirs, toilets and bath houses, culverts, and bridges; resurfacing truck trails, and reconstruction of the historic old stone corral on the post proper.
OK	ASCS-1	Will Rogers Field	ANG	Yes	4-1-42 to 7-31-42	Sodding, terracing and planting around sewage disposal area, cleaning and constructing drainage ditch, laying drains at all road and sidewalk intersections, driving hazard range for trucks, construction of pistol and rifle range, landscaping around CCC camp
PA	AF-1 (and ASCS-13)	New Cumberland Depot	DLA	Yes	11-14-41 to 7-30-42	General improvement of airport, roadways for airplanes, general landscaping and tree planting, preparation and transportation of material.
PA	Army-1	Carlisle Barracks	Army	Yes	7/5/1935	Constructing flood walls, grading and drainage, constructing fire lanes, improving water supply, road construction
PA	Army-2	Tobyhanna Artillery Range	Army	Yes	8-35 to July 37	Road construction, timber stand cutting, insect and disease eradication, boundary survey, fire trails, construction of five single story (22 x 33') buildings, forest and roadside cleanup
SC	AF-1, -2, -3	Fort Jackson	ARNG	Yes	1-28-41 to 7-18-42	Construction of look-out towers, range clearing and construction (2 anti-tank ranges with rail systems, 2 machine gun ranges, 2 pistol ranges with targets, 2 anti-aircraft ranges, 1 landscape range, 1 plain 1000' range, 1 mounted pistol range, 2 combat ranges consisting of six pits and targets), Twin Lake Dam improvement, sawmill operation, cutting and logging operation, construction of Cobb's pond bridge and spillway, construction of Division Road and bridge, dugouts, maintenance of existing roads, construction of combat ranges (Leesburg Rifle Range), improvements to Boyden Arbor, Borsten, and Foreman's Pond recreation areas, construction of bomb shelters, road construction, construction of telephone and power lines, target butt and tunnel back fill, mosquito control, cemetery improvement. Portable CCC buildings and tents.

Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration
and Civilian Conservation Corps Resources on Department of Defense Installations

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL

STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
SD	ASCS-1	Fort Meade	Army	Yes	3-1-42 to 7-27-42	Unknown; no Camp Inspection Report
TN	AF-1	Camp Forrest	Air Force	Yes	8-15-41 to 7-18-42	Seeding and sodding parade ground and hospital area, road band fixation, construction of entrance portals, landscaping Service Club area, install and clean culverts, general cleanup of stumps and trash, cleanup of parade grounds, construct foot bridges, cleanup East and West ranges, selective timber cutting, construction of picnic areas, mosquito control, development of athletic area.
TX	Army-1	Fort Sam Houston	Army	Yes	6/15/1935	Landscaping, beautification of roads and driveways, soil erosion control, filling, leveling, and grading areas around new Officers quarters on Dickman, Wheaton, and Graham Roads, and around NCO quarters on Chaffee Road and Division Avenue, reconstruction of outfield on Christy Mathewson baseball field, fixing of damage from soil erosion around Officers Quarters on Gorgas Circle and 23 rd Infantry parade ground, sodding and tree planting, nursery, mosquito control, clearing for flood prevention, clearing of fire trails, construction of underground pipelines and drainage, chain link fence on boundary, construction of three earthen dams.
TX	Army-2	Camp Stanley Mil. Res.	Army	Yes	6/16/1935	Road construction, clearing of underbrush, building fire lanes, clearing and construction of new firing ranges, clean camp area and prepare grounds for buildings, construction of bridges and culverts, maintenance of fence, building of landing field.
TX	Army-3, -4	Fort Bliss, Dona Ana Range, Casner Range	Army/ARNG	Yes	6/15/1935	Work on three military reservations: Fort Bliss, Casner Range, and Dona Ana Range. Landscaping, beautification, trail construction, fencing, and general construction projects on Fort Bliss, dirt and riprap of levees for flood control, road construction to and between Fort Bliss and ranges, construction of gun pits, dugouts, and emplacements on artillery ranges.
TX	ASCS-1	Camp Hood	Army	Yes	2-23-42 to 7-21-42	Building and maintenance of roads, construction of temporary buildings, cleaning and preparation of bivouac areas for troops, razing of buildings and construction and removal of fences, sodding for erosion control, and miscellaneous other jobs. Camp not located on reservation.
TX	ASCS-5	Mineral Wells (near Camp Wolters)	ARNG	Yes	4-24-42 to 7-24-42	Work at Camp Wolters including mulch and sprig sodding of drainage ditches, sprig and mulch sodding of area around buildings, and erosion work on other areas of reservation. CCC camp housed in former TXARNG buildings (stone and concrete).
TX	NP-D-3	Duncan Field (now part of Kelly AFB)	Air Force	Yes	4/6/1942	Cribbing, fences, open ditches, roads, channel protection, stream bank protection, pipelines, conduits, rip-rap, walks, miscellaneous structures, obliteration of borrow pits, mosquito control, preparation and transportation of material, seeding and sodding on both existing Duncan Field and new addition.
UT	AF-1	Fort Douglas/Ogden General Depot	Army/ARNG	Yes	6-24-35 to 11-10-35; 2-742 to 7-31-42	Camp reconstruction and spring repairs, general improvements to military reservation. CCC camp buildings include both portable and permanent.

*Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration
and Civilian Conservation Corps Resources on Department of Defense Installations*

TABLE B-2. LIST OF CCC PROJECTS ON MILITARY INSTALLATIONS STILL UNDER DOD CONTROL

STATE	CAMP	INSTALLATION	Service	Still DOD?	DATES	PROJECTS
VT	AF-1	Underhill Center (may have been Fort Ethan Allen Artillery Range; now called Underhill Artillery Range)	VTARNG?	unclear	4-23-41 to 7-28-42	Work at U.S. Artillery Range, including construction of ski jumps, truck trails, anti-tank railroads (Mayers Dome), dugouts, concrete shelters, moving targets, roads, gun positions, observation posts, and firebreaks. CCC camp housed in existing Army structures.
VT	Army-2	Forth Ethan Allen and Artillery Range	ARNG	Yes		Digging of gun positions, road/trail construction and clearing, razing of buildings and salvage of construction materials, landscaping, forest stand improvement, vista cutting, cleanup of dumps, removal of diseased oak trees, flood control near Lilypad Pond, fire lanes, draining swamps, erosion control, fencing and boundary markers, construction of artificial lake. Camps located on post (1) and on range (1). Housed in existing buildings.
VA	Army-1	Fort Monroe	Army	Yes	Jul-35	Dredging, landscaping, reservoir construction for Big Bethel water supply, tree planting, soil erosion control, top-soiling, grading
VA	Army-2	Langley Field	Air Force	Yes	7/7/1935-1937	Enlarge and develop flying field, including drainage improvements, general landscaping and development
VA	Army-3	Fort Belvoir	Army	Yes	Oct-35	Forest stand improvement, fire hazard reduction, drainage improvements, fire trails, reforestation, general landscaping, erosion control
VA	Navy-1, NP-D-10	Yorktown (U.S. Naval Mine Depot)	Navy	Yes	10-12-33 to 7-18-42	Fire hazard reduction, patrol road construction, fire breaks, timber stand improvement, landscaping, and mosquito control, selective cutting for defense housing, fine grading of magazine areas, truck trails, water and telephone lines,; small contingent assigned to restoration of Colonial National Historical Park.
VA	NA-1	Fort Meyers	Army	Yes	11-1-34 to 12-30-41	Unknown; no Camp Inspection Report
VA	NP-D-7	Fort Story and Camp Pendleton	Army	Yes	Aug-40	Clearing, truck trails, construction of 2 waste disposal systems, water lines, powder magazines, razing of structures, mosquito control, underground cable, tree planting, soil preparation, general landscaping, sand fences; on Camp Pendleton, truck trails, ditches, moving of trees, mosquito control, drainage improvements, and vista cutting.
VA	NP-D-8, -9	Fort AP Hill	Army	Yes	3/17/1942	Most of the work being done by camp was construction of the new CCC camp (NP-D-9) from buildings and building materials salvaged from old CCC camp in Hanover, and fire fighting. Later work included fire hazard reduction, drainage improvements, razing of structures, mosquito control, road and trail construction, fire breaks, and tree removal.
WA	AF-1, -2; Army-1, 3	Fort Lewis	Army/ARNG	Yes	8-21-41 to 7-23-42	Truck trails, telephone lines, fire fighting, fire hazard reduction near incinerators and ranges, construction of artillery range and powder magazines, logging for sawmill, enlargement of bayonet range, roadside clearing and maintenance, repair of look-out towers, road, fence, bridge, and trail construction. Side camp involved in construction of Army Recreational Park at Jefferson Park in Seattle. Construction of portable CCC camp (AF-1) in Spanaway; not all camps located on military reservation.
WA	Army-6	Vancouver Barracks	Army/ARNG	Yes	8/22/1935	Clearing for ranges, road construction, snag falling, installation of telephone lines and fencing, construction of swimming pool; other company members working on construction of CCC camp.
