SUBJECT: Ships under N.I.R.A.

Enclosure: (A) List of Ships under N.I.R.A.
(herewith)

NOV 16 1933

1. The Bureaus' joint letter of August 3rd, 1933 directs that travel expenses incident to inspection of material for subject vessels be charged to Navy allotments under N.I.R.A. appropriations and reported monthly, summarizing by ships the total travel cost incurred. Enclosed is a list of the ships and builders. It is suggested that all orders for material for these ships be stamped, for ready identification, with the letters "N.I.R.A.". This will be of material assistance in maintaining the running record of travel costs and reporting same.
